Live On-Line Event Descriptors -

Careers in Insurance Video “Watch Party” & Quiz (Available at 9:00 am or 3:30 pm Eastern)

Tune in with grade nine students from across Canada as you explore the variety of roles that make up Canada’s property and casualty insurance industry. You will take a short and fun quiz to better understand how your own interests, experience, and educational goals can add up to a great career in insurance. And, there are some great prizes up for grabs showcase all that you have learned throughout the process.

Interactive Panel with Industry Professionals (Available at 10:00 am or 2:30 pm Eastern)

Did you know that soccer players have their legs insured? That there is insurance for the International Space Station? And, that there is even insurance for AI and Robots? Learn about the world of emerging risk, how insurance works, and just some of the ways that insurance is at the forefront of interesting and game changing issues. Think Insurance is Boring? Think Again!

‘Spot The Risk’ Scenario Game (Available at 11:00 am or 1:30 pm Eastern)

Get in on the fun in this fast-paced scenario game! You will be shown a series of images and need to spot as many risks, perils, and potential issues as you can. On the line – prizes and glory! There is even bonus points for creativity. Industry professionals will walk you through their take on each scenario and show you the world of risk management and insurance in action.

‘Ask Me Anything’ Career Chats with Industry Professionals (Available at 12:00 pm Eastern)

Thinking about your career options? Tune in to hear a few tips and stories from folks who have been there as they talk about their first job, things they have learned along the way, and what they do now in the insurance industry. They are also on-hand to answer any of your questions about anything related to your career, studies (both current and future), and making the most of your time in high school.

AND... Don’t forget about our on-demand events available throughout the day:
